WOF – Warrant of Fitness & LPG Certificates

- Our fully qualified and certified team can ensure your vehicle complies with all NZTA legal requirements
- The new WOF frequency changes will be implemented in early 2014 so let us ensure your vehicle is always safe and compliant regardless of age

Regulations:

- A current WOF is required on all vehicles and trailers operating on any public road
The frequency of inspection is changing as from January 1st 2014 to:
 - All light vehicles first registered after 1st January 2004 will now be issued with a 12 month WOF
From 1st July 2014:
 - All light vehicles first registered after 1st January 2000 will now be issued with a 12 month WOF
 - All light vehicles registered prior to 1st January 2000 will remain on a 6 month WOF cycle
 - All LPG powered vehicles require an LPG certificate every 12 months.
 - Our Services not only include a full and comprehensive testing service but we can also rectify any issue discovered during that inspection
 - We also provide an extensive reminder system using either txt, email or mail systems
- All of our staff receive regular training and updates to ensure they are aware of all current and new regulations
